Architecture and Design study abroad program

EXPERIENCE

Freelance for Avidan Architecture, Mt. Kisko, NY // October 2014 – Present

Prepare and revise Permit Drawing Set using AutoCAD 2015 for home renovation project in Mt. Kisko, New York. Additional renderings will be created using Revit and Adobe Photoshop to show the Architectural Review Board for approval. The renderings will be included as a supplemental visual representation of the work to be performed.

Freelance for [BLANKNYC], New York, NY // May 2014 - Present

Designer for renovation project consisting a two-story interior fit-out for Manhattan clothing designer, [BLANKNYC]. The project objective was to redesign the existing floor plans and create four programmatic spaces that allow for productive work environments. The programs include a showroom and sales workspace on one floor and designer and tailor workspaces on the floor above. Basic interior finishes and furnishings were selected post-demolition that complement the items that were salvaged from the Designer's previous location. This project is on-going and is being performed independently.

Assistant Project Manager, Bravo Builders LLC, New York, NY // February 2014 - Present

Work closely with architects, engineers, consultants and contractors to "advise and drive the design, construction, and labor strategy process". Responsibilities include construction oversight, drawing analysis, estimating, processing submittals, issuing bid packages, and various organizational tasks. Attend meetings with subcontractors and analyze and negotiate final terms.

Project Manager, Midtown Preservation Architecture + Engineering, Oyster Bay, NY // 2012 - 2014

Restored and maintained landmark buildings including facades and other appurtenances through surveys, tests, inspections and evaluations to determine required remedial measures. Construction oversight and interoffice project management. Prepared AutoCAD 2013 drawings and construction documents. Prepared and submitted filings for the Department of Buildings and the Landmarks Preservation Commission. Implemented office recycling program.

Development + Design Coordinator, RADICArt, Washington D.C. // 2012 - 2014

Artist focused on engaging underprivileged youth through arts education using personal artworks in classroom interventions. Responsible for conducting classroom art activities, lesson plan preparation, artist recruitment, portfolio management, website design and general graphic design tasks.

Architectural Intern, Building + Facilities Department, Springfield, MA // 2008 - 2012

Designed work for both commercial and academic buildings for urban revitalization and renovation projects. Conducted field measurements and ensured permitting and execution of projects. Oversaw construction projects.

Interior Design Intern, Annick Porter Interior Design, Amherst, MA // Summer 2010

Conducted field measurements to update existing floor plans of commercial office building for interior renovation.
